Private Training Clinics ~ Learn How to Train Your Horse

Private Training Clinics are available to work with the horse and the rider/driver as a team. Pam Umberger will work and train your horse while you observe. Pam will then help you use the same techniques with the horse, which you can then continue to use and build upon. Improve how you and your horse work together. Don't miss this opportunity to improve your horse training abilities! Clinics can be one day or two days - your choice. Bring your horse to Copper Crest Farm or invite Pam to your farm.

Copper Crest Farm Offers Clinics On Topics Such As:

Beginning Driving: Detailed discussion of harness function and adjustment. Plenty of supervised hands-on experience with harnessing and hitching. Beginning level driving instruction with gentle horses.

Introduction to Sidesaddle: Learn basic aside techniques on very quiet school horses.

Obstacle Driving Clinic: Learn to maneuver horse and cart or carriage through both simple and challenging obstacles. Use Copper Crest horses or bring your own.

Three Day Driving Clinic: Opportunities to drive single, pair, tandem, 3-abreast, unicorn and four-in-hand. Open to beginners or more advanced drivers. Horses provided or bring your own.

Equine Behavior Modification: How to Tell Your Horse What You Want - Understand your horse better and change his behavior.

Versatility Training: "Cross Training" techniques. Spice up your training program. Improve your horse's attitude.

Training Your Horse to Drive: Learn and practice safe techniques to train your horse to drive.

Equine Behavior Modification: How to tell your horse what you want. Understand your horse better and change his behavior.

Training Manuals by Pam Umberger

Principle-ly Horses ~ A Training Manual is a collection of training principles and illustrated examples of how to apply them. This book has been used as a classroom text for the Equine Behavior and Training course at Virginia Tech.

Life After Hitching ~ A Guide to Training Your Horse to Drive is a step-by-step approach to training a horse to drive with illustrations showing the methods discussed. Contact Pam Umberger to purchase your copies. (\$12.00 each plus \$3.00 s/h)

COPPER CREST RIDING THERAPY PROGRAM®

The purpose of the Copper Crest Riding Therapy Program® is to provide recreational therapeutic riding and driving to children and adults with physical handicaps, mental impairments, and/or emotional disorders. Specific activities and exercises associated with horseback riding and driving help to strengthen abilities and reduce limitations of each individual participant. If you know someone who might benefit from this program, or if you would like to make a contribution, be a sponsor, or volunteer, please contact Pam Umberger. Contributions may be tax deductible.
